

2011 CLINIC FORMAT

Well 2010 was a wash but we are gearing up for a great 2011!!! Cant wait to see you at the Clinic. The 2011 Clinic is April 29 & 30. We will host a 4-H show on May 1st.

We have camper hookups installed in the field north of the horse barn. Anyone hooking up in 2011 will be charged \$10/night. This is a new charge but has become a fairgrounds rule. Also for large RV's we do have the camping park available past the grandstands at the fairgrounds. Those spots have water hookups and a sewage dump and are \$10/night also. We have added a shirt size blank to the sign up form. The 2011 clinic shirt will be included in the clinic fee. If your family would like any extra shirts we will have some available for purchase at the clinic. You will need to pick one grouping of sessions. We will be offering several groups this year. We would like all 1st and 2nd year riders and any other Jr. ability riders to participate in the beginning clinic. We have lots of fun stuff planned for the kids this year and think it will be our best weekend ever! Can't wait to see you at the clinic!!!

Color Guard

Again this year we will have a clinician at the clinic helping clubs to get started with color guard. If your club would like to participate you will need at least 3 flag holders and poles with practice flags. Call for more info
